“Freddie” was educated in Glen Ellyn, Illinois, and received a scholarship to Harrison Commercial Art School. She also attended Art Institute of Chicago and the Indiana-Purdue University Fine Arts program for seven years. She studied with Carl R. Krafft whose works are featured at the Art Institute.

During WWII she married Charles and they raised six children while living in the Chicago area, Ft. Wayne, IN, and Keowee Key, SC. Well traveled in the USA, Aus-

tralia, South Pacific and Europe, her art has met with much success, reaching as far as the UK, Germany, Holland, Ireland, Australia as well as the Caribbean. Now widowed and living in The Villages, Freddie has explored many mediums but favors Pen and Ink architectural sketches.

An eternal optimist, this artist finds beauty everywhere!
