

## Artist of the Month—Lois Dowd

My husband and I moved to The Villages in 2013 from Massachusetts and we are glad we made that move. It is great to now be part of the wonderful art community here.

I have been painting for over 20 years. I regularly take art classes and paint in my home studio. I work in watercolor, acrylics, pen & ink and alcohol ink. My favorite medium is watercolor. I enjoy variety in my paintings, but especially like subjects in nature.

I have been in several art shows in Massachusetts and in The Villages.
