

Eisenhower Art Exhibit

The Villages Art league will showcase fine art paintings at the Eisenhower Art Gallery in the Halsey Room at the Eisenhower Regional Recreation Center.

Hosting this new venue with the Recreation Department, the Art League will celebrate the history of our club by featuring the artwork of our members.

The Inaugural Art Exhibit was August 20, 2014 and featured the artwork of our Presidents over the past 25 years. The Villages Art League showcased the artwork of 10 Presidents living here in The Villages, starting as far back as 1994 with Eleanor Simmons as President and founder of our club in 1989 and then more recently from 2001 up to the present day, as a way of showing our appreciation for their contributions to the Art League.

Dates of new exhibits for 2016 are January 6, May 9, July 11, September 12 and November 14.

Information is available on our website with the entry form and rules for eligibility under the Art Shows tab.

Under the Gallery tab you will find photographs of exhibits starting with the Inaugural Exhibit and Reception on August 20, 2014.

This joint venture with the Recreation Department and The Villages Art League enables us to introduce our art to the residents of The Villages and the public. You will see fine art from our members who are both experienced artists as well as beginners. The oldest painting club in The Villages, we enjoy a comradery of painting together and sharing our love of art.
